Skylar Soehl is a creative developer and visual designer based in Boston.

Experience

Scout Studio | Boston, MA

Conference Designer, Jan 2020 – Present

- Creating print and web collateral to promote the annual Interventions design conference.
- Working closely with conference director to establish and execute a design voice.
- Responsible for updating the official conference website to adhere to the developing 2020 brand.

Web Developer, Jan 2019 – Apr 2019

- Collaborated with a team of designers and developers in an agile environment to build the UI and UX of a responsive marketing site for a venture.
- Created brand and identity by facilitating brand exercises for type, color, and logo explorations with the client.

Northeastern Women in Tech | Boston, MA

Design Chair, Jul 2019 – Present

- Collaborates with the Marketing and Public Relations Chairs to promote weekly social events, tech talks, and speaker series through digital collateral for our various social media platforms.
- Developing NUWIT's brand identity through internal design exercises, redesigning our logo, and creating a brand book for future design and web chairs.
- Led a workshop for members on how to use REST APIs

True Fit | Boston, MA

Software Engineer Co-op, Jul 2019 – Dec 2019

- Took ownership of testing and modernizing an internally used web application that supports the various teams in debugging their machine learning engines.
- Organized and gave technical presentations to my internal team related to "knowledge transfer" regarding the internal application I worked on.
